

The Private Protective Services Board has granted standing approval for educational institutions such as colleges, universities, and trade schools. Other degree granting institutions will be granted standing approval when institutions are licensed by the Department of Public Instruction or the state approving agency when the course is appropriate to the licensee and will apply to courses related to law, criminal justice, security profession, finance, ethics, forensics, crime prevention, and investigation. Approval is **one hour per contact hour not to exceed eight hours.**

Please note that the maximum number of continuing education credits that you are allowed to obtain for an online course is **six hours** per renewal period. Based on the content of the course the Private Protective Services Board has approved a number of on-line courses that will take longer than six hours to complete. However, the maximum number of continuing education hours you will be granted will be **six hours per renewal period.**
